Этикетка для керамогранита

Этикетка наклеивается в правый верхний угол соответствующего керамогранита на расстоянии от края 10 мм.

The background is a collage of various materials and tile samples. On the left, there's a large, light-colored marble tile with brown veining. To its right is a vertical strip of dark, textured material. Further right is a horizontal wooden plank with a natural grain. Below the wood is a small, dark, 3D geometric object. In the center-right, there's a large, dark blue fabric sample with a scalloped edge. To its right is a square tile with a white and grey marbled pattern. Below the blue fabric is a rectangular piece of brown, textured fabric. The entire composition is set against a background of light-colored marble with brown veins. A green leafy branch is visible in the bottom left corner.
